Griffin Stoddard Studio

Assistant

August 2024 – Present

- Assistant to production designer for music videos, live performances, fashion and cosmetic campaigns for prep, on-set, and post production
- Set building and scenic work including construction, carpentry, scenic painting, prop and scenic fabrication
- Sourced and purchased props and scenic materials from wholesale suppliers, rental houses, and specialized retailers
- Handled accounts at prop houses and speciality stores (including florals and fabric) by obtaining and defining COIs and proper authorization

Media.Monks

In-House Production Designer

August 2023 – July 2024

- Developed design-forward branding strategy in various sectors: clothing brands, tech companies, commercial food products, sports teams, etc
- Ideated creative concepts with clients, creative directors, directors, and producers
- Managed project timelines with thorough budgeting and scheduling
- Sourced, procured, and created props
- Designed and styled in studio and on-location sets

Production Designer and Art Director

Freelance

November 2021 – Present

- Developed visual style for various short films, music videos, and editorial campaigns
- Drafted set designs and created concept art
- Created graphics, models, and 2D and 3D assets
- Built custom flats and set environments in scene shops and sound stages
- Prop making, sourcing, and set decoration for various periods
