About

Curran is in his fifth year of architecture school at The California College of the Arts in San Francisco. His work reflects his growth as a designer and enduring inspiration from the natural world.

Education

09.2022 - Present
California College of The Arts
San Francisco, Ca.
Pursuing a Bachelor of Architecture Degree

Recognition

Kaz Baba Travel Award 2025

CCa Core Studio 4 Award 2024

CCa Core Studio 2022-23 Award

Dean's List
2022 through present

Experience

06.2024 - 07.2024
DAMV Arkitektur
Berlin, De.

Worked under Carla Frieling and Paula Konga Pizarro on project visualizations and small design tasks. Created detailed renderings, developed design schemes, and gained hands-on experience in an international architecture office.

06.2025 - 9.2025
Dumican Mosey Architects
San Francisco, Ca.

Worked primarily on the schematic design and design development phases of projects, where I created digital 3D models and renderings to support clear visualization of design concepts. I also assisted the design team with material research, selections, and coordination, helping refine and communicate project ideas.

Expertise

Strong Knowledge of
Rhino, Photoshop, Illustrator, Archi-CAD, Indesign, Sketchup, Physical Model-making, 3D Printing, Sketeching, Laser cutting, File managment.

Familiar With
Revit, AutoCAD, Midjourney, Grasshopper.
