ABOUT

LiO/Yifan Liu (1999年出生于中国湖南) 是一位工作和生活在伦敦与杭州的艺术家。先后就读于中国美术学院 (2017-2021 年) 和伦敦切尔西艺术学院 (2023-24 年)。艺术家从雕塑理念出发, 在2020年后拓展多种媒介, 包括雕塑, 装置, 绘画, 摄影, 剧场及行为——将身体作为活动雕塑并放置于静态场所生发新的可能。

Yifan在探讨生与死及其轮回的命题下, 结合巫术及赛博格女性主义探索过去与将来的重新生发之可能。她想要打破现在仍暗藏在周边, 僵化及不合理的结构制度。作品中也多基于个人经验, 记忆及碎片化感官体验, 引用诗歌, 哲学, 小说及中国传统老庄思想在多种领域中游牧, 编织其个人花绳叙事。在她的作品《The Triptych of Power》(系列行为, 2023年)她被虚假的珠宝捆绑全身, 以个人视角阐述权力斗争的轮回游戏。作品《Broken Adams' Bible》中, 她引用圣经故事并置入童年——用剧场的方式讲述人类最初的两位母亲, 丽丽丝和夏娃, 再现其对权力结构不平等的愤怒。

LiO/Yifan Liu (born 1999 in Hunan, China) is an artist working and living in London and Hangzhou. She has studied at the China Academy of Art (2017-2021) and then at Chelsea College of Art, London (2023-24). Starting from the practice of sculpture, the artist has expanded beyond 2020 into a variety of mediums including sculpture, installation, painting, photography, theatre and performance - using the body as a dynamic sculpture and placing it in a static place to generate new possibilities.

Yifan combines witchcraft and cyberfeminism to explore the past and the future within the context of the position of life, death and its cycle of reincarnation. She wants to break down the rigid and unjustified structures or systems that still exist. Her works are also based on personal experiences, memories and fragmented sensory experiences, referring to poetry, philosophy, novels and the Chinese tradition of Lao-Tsang in order to nomadically weave her own personal narrative of string. In her work *The Triptych of Power* (performance series, 2023), she is bound by fake jewelry, and she is able to articulate the cycle of power struggle from her personal perspective. In *Broken Adams' Bible*, she references biblical stories and merges them with childhood memories - using theatre to tell the story of the original mothers of humankind, Lilith and Eve, and reproducing her anger at the inequality of power structures.
