

# KAT SUNG

Los Angeles, CA 91202 | katbot.net@gmail.com | katbot.net

## POSITIONS

### MGA Entertainment

#### August 2024- Present / Toy Product Designer

- Leading the design process for boy's action figure toy line "Ninjombie", from character concept, illustration, 3D sculpting, engineering prototyping, to the final deliverable on shelf. Promptly managed project timeline and coordinated with the engineering, packaging, and marketing teams.
- Providing 3D sculpting assistance for toy lines "Armorsaurs", "Story Dream Machine" and "Pixel Pets".

### Soto Worldwide

#### February 2024- August 2024 / Designer

- Leading the brand identity and content design by creating promotional content including 3D animations, graphic posters, and creative photography.
- Created a 3D virtual exhibition, also displayed physically at Domicile Tokyo.

### Frameworkx LA

#### August 2023- August 2024 / Animator

- Member of the animation team for creating concert visuals. Worked on shows for Blink 182, Peso Pluma, Mora, Santa Fe Klan, Ms.Lauryn Hill, YG Marley.

### FuzzyW

#### January 2024- July 2024/ 3D Artist

- Leading the 3D modeling and animation for various WebGL projects.

### New Art City

#### August 2021- July 2023 / Creative Team Member

- Created branding and graphic assets for the website and managed the social media. Connected with artists to design 3D virtual exhibition commissions.

### Maere Studios

#### April 2023 / 3D Character Animator

- Retargeted character animation and prepared models for crowd simulation in feature film.

## PROJECTS

### Adele Limited Edition Vinyl Box Set

- Created product renders and 3D animations for Weekends in Vegas Live with Adele Limited Edition Vinyl Box Set. Shared on the her website and Instagram.

### Louis Vuitton x Takashi Murakami

- Created promotional digital content for Louis Vuitton x Murakami collaboration announcement using original Murakami artwork.
