EXPERIENCE

Jr. Graphic Design Intern ▪ Lansinoh Laboratories

May 2025 - Aug 2025 | Alexandria, VA

- ♦ Ensured brand consistency across social/web platforms and global campaigns for a leader in maternal healthcare via collaboration with 3+ departments.
- ♦ Designed creative assets and graphics for social, packaging, and web; supported UI/UX curation.

Research & Design Assistant ▪ Virginia Tech College of AAD

Mar 2025 - Present | Remote

- ♦ Designed visual deliverables and assets for a CDC-funded project (Gulf South VECTOR) via the college, including social media posts, marketing collateral, publications, infographics, and more.
- ♦ Conducted research on UX and public health communication.
- ♦ Demonstrated punctuality and adhered to quick turn-around deadlines.

Graphic Designer ▪ PRISM

Oct 2023 - Present | Blacksburg, VA

- ♦ Worked with cross-functional teams to create ~50+ graphic and user experience assets for various campaigns per semester, constantly meeting clients' needs.
- ♦ Conducted and presented user research and competitor analyses to clients.
- ♦ Helped increase online engagement by 100% for the Virginia Tech Office of Undergraduate Admissions in one year.

Graphic Design Assistant ▪ University Libraries at Virginia Tech

Aug 2023 - Present | Blacksburg, VA

- ♦ Created ~200+ marketing and communications materials for the network of libraries at Virginia Tech.
- ♦ Designed original media and content for 6 published magazines, digital and physical signage, and social media.
- ♦ Worked closely with designers and other communications team roles.

Graphic Design Intern ▪ Push Digital Group, Campaign Solutions

May 2024 - Aug 2024 | Alexandria, VA

- ♦ Increased campaign reach for political clients (senators & congressmen) from 15-20%.
- ♦ Managed up to 20 projects a day in a fast-paced environment.
- ♦ Coordinated with account executives, creative directors, and graphic designers to create branded social media graphics, digital advertisements, animations, and other design deliverables.
