WORK EXPERIENCE

MICA Woodshop Mentor

Assistant 2022-2024
Baltimore, Maryland

Responsibilities include helping other students with using woodworking equipment and overseeing MICA Wood Club events alongside the other club leaders and shop technicians. Worked directly with undergraduate and graduate students on their projects, particularly those who were less comfortable with the equipment and woodworking process.

Emmett Moore

Fabrication Intern 2019-2020
Miami, Florida

Worked under the supervision of Miami-based artist **Emmett Moore**. Responsibilities include communicating directly with the artist, learning and executing the specific processes of their projects, independently managing the artist's studio while they were traveling, and generating initial designs and renderings. Assisted in the construction and finishing of multiple projects using palm sanders, drill press, and two-part epoxy resin.
