

SUMMER INTENSIVE:

Visual Storytelling | Portfolio Layout + Design Exercise

Final Assignment (Due on Final Review Date: TBD)

Final Drawings:

- Floorplan (could be a plan perspective)
- Section (could be a section perspective)
- Map of possible locations
- Any diagrams that explain your design (maybe linework that becomes a 3D structure?)
- Rendered perspective

Final Presentation

- 5-10 pages
- Make sure there you have a stance or position as to why you think we should have more restrooms in an urban area (ex. social justice, accessibility, etc.)
- The presentation should have consistent spacing, color palette and fonts
