University of Cincinnati, DAAP

Bachelor's of Science, Industrial Design – Class of 2027

St. Xavier High School

2022 Fine Arts Graduation Award – Class of 2022

Work Experience

05.2025 - 08.2025 **Kingdom Productions** – Spatial Design Intern

Designed interior elements for various interactive experiences. Assisted with drafting and revision of architectural schematic and material packages. Developed 2D graphic and 3D rendered concepts for various clients. Maintained and updated design packages for internal and external reference.

08.2024 - 12.2024 **DAAP Experiential Exploration Program**

Dedicated second Co-Op semester to an independent study of lighting design and the accompanying hardware. Created multiple portfolio projects, one of which was featured in Cincinnati's BLINK art festival. Provided assistance to professional lighting artists for a better understanding of the field.

04.2024 - Present **Freelance Event Designer**

Organizer of various dance-centric events in the Cincinnati area, culminating in the "Club Joy" pop-up warehouse event series. Created branding and promotional material, arranged and programmed stage lighting, managed performer lineups and production staff, as well as ticket and merchandise sales.

01.2024 - 04.2024 **Allegion** – Industrial Design Intern

Assisted with the design of new products and the reevaluation and redesign of legacy products. Worked alongside the engineering team to create functional prototypes of electronic user interface concepts. Managed 3D printing of scale prototypes and maintained equipment for the office.

03.2023 - 08.2023 **Warehouse Collaborative** – Design Apprentice

Assisted designers with fabrication and installation of public multimedia art pieces, using CNC machining and various power tools. Took part in the creation of Kroger's RedBull Flugtag Glider.

03.2021 - 07.2023 **Elementz** – Teaching Artist

Taught after-school and summer programs focused on various mediums of public art, to educate and excite young students about public art and its surrounding careers.

05.2020 - 08.2022 **Artworks** – Youth Apprentice, Gallery Artist

Took part in several public art pieces, gallery shows, and community outreach programs. Helped to set the record for largest mural in Cincinnati, while painting Sam Adams Brewery's "Cheers to Cincy" mural.
