Design Coordinator | J.CREW — New York, NY

- Supported Women's Woven Design Director & Senior Designer with tech packs, CADs, BOM, and the entire product design process (including sketching in Photoshop and Illustrator); synchronized J.Crew/Madewell's PLM system to remain up to date.
- Involved in proto and production fittings with Creative Director, and in charge of communicating design comments to cross-functional teams (merchandising, product development, and technical design); sourced fabrics accordingly and worked with external vendors.
- Assisted with seasonal market/customer research and trend analysis.
- Assisted in day-to-day projects including emails and meeting preparations.

Graphic Design Intern | GOAL STUDIO — Seoul, Korea

- Created brand guidelines and graphic assets to support brand identity.
- Produced flat sketches, typography assets, motif developments, logos, and visual assets for seasonal apparel collections, promotional campaigns, and cross-platform brand applications.
- Collaborated with artists, and artwork renderings in Adobe, supporting design development from concept through SMS.
- Apply trend insights to enhance creative output.

Atelier / Fabric Intern | ALEXANDER WANG — New York, NY

- Assisted Head of RTW department with RLM system.
- Assisted with sourcing trims, preparing moodboards, and creating Excel charts for consecutive meetings.
- Organized and accessible samples and raw materials libraries.
- Confirmed all incoming and outgoing packages, including BOH organization, and communications in between Design and Trim dept.
- Reported trim and fabric inventory adjustments or corporate requests to the Atelier in a timely manner.

Design Intern | MONSE — New York, NY

- Assisted with prototypes, including draping, pattern-making, sewing.
- Assisted Senior Designer in preparing weekly new prototype idea pitch presentations board for visiting Creative Directors (Oscar de la Renta).
- Executed seasonal tech packs and prepared order sheets for local vendors.
- Assisted during Market Day with model fittings.
- Coordinated delivery of samples to VIP customers.

Footwear Intern | METROCITY MILANO — Seoul, Korea

- Created hand and digital sketches
- Designed logotypes, logos, icons, and print/pattern graphics.
- Assisted in seasonal tech packs, moodboards, and research to support overall accessory design development and production readiness.
