

# RE•VER•BER•ATE

**RE•VER•BER•ATE is a free multidisciplinary arts festival for all CPS students and our entire community!**

The Festival provides students in grades PreK - 12th with exhibition and performance opportunities, workshops, masterclasses, and academic and professional collaboration opportunities.

Partnering with **DCASE**, **Chicago Cultural Center** and the **Design Museum of Chicago**, RE•VER•BER•ATE serves as a testament to what happens when our students, teachers, and arts professionals of Chicago come together to create a truly unique event for our CPS artists.
