

The background features a collage of various sewing-related items. At the top, a pair of scissors is positioned horizontally. Below it, another pair of scissors is shown in a different orientation. A long, thin needle is visible on the right side. A large, dark-colored thread spool is located in the lower right quadrant. The entire composition is set against a light-colored fabric with a subtle, repeating pattern of small, interconnected circles or dots. The text is overlaid on this collage in a bold, black, serif font.
