what is being 'home' sick?
sick of home?
oh missing home?
missing home?

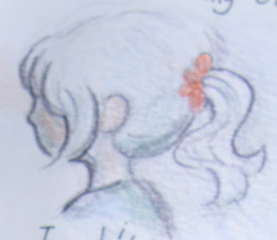

back when I was
so self conscious,

but stubbornly hated to
show it.

it reminds me of my old self,

if I like my
or not.

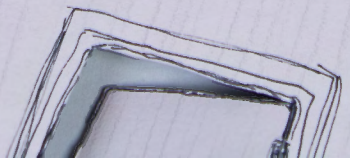

Idk if I like it or

when I was so
ignorant of the world,

and of myself.

Friends'
houses,

tutoring
centres,

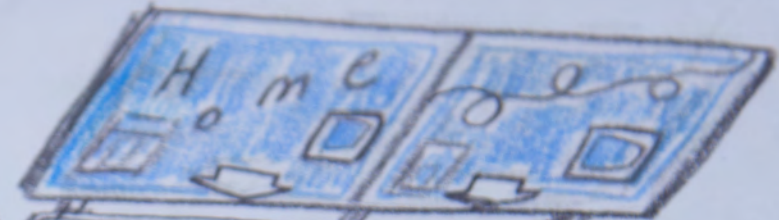

but I hope it works.

I don't know if that's how it works.
How do I know how it works?
How does the world work?
Will I even be able to find a job and work?

sick?

me-s

grew up.

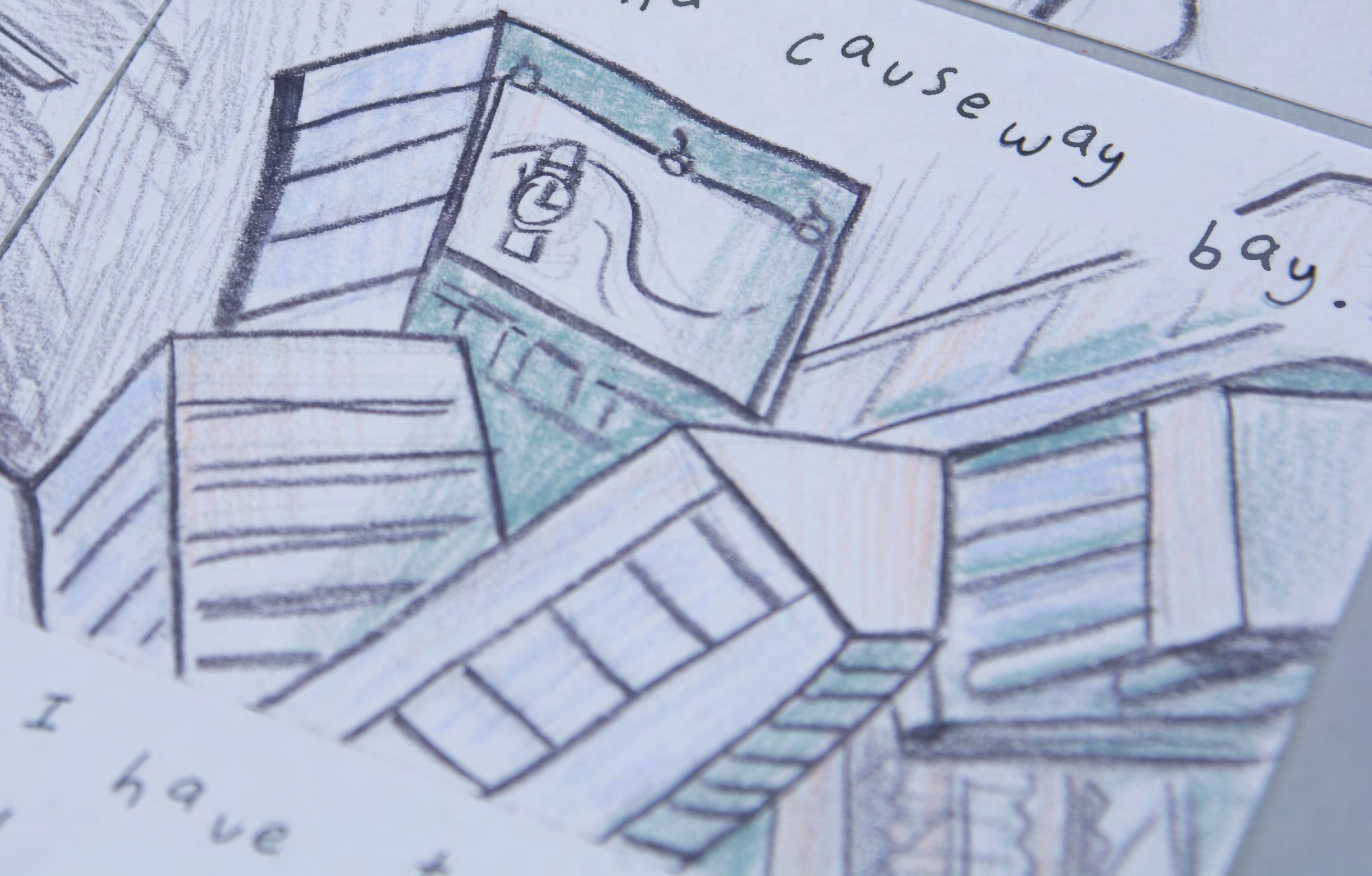

my relative's
places,

and
causeway
bay.

does it

Do I have

... it or not.

Going back home...

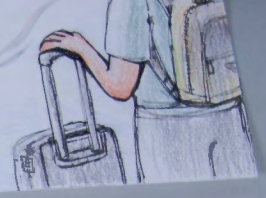

when I was ignorant

my closet still stores the clothes I used to wear,

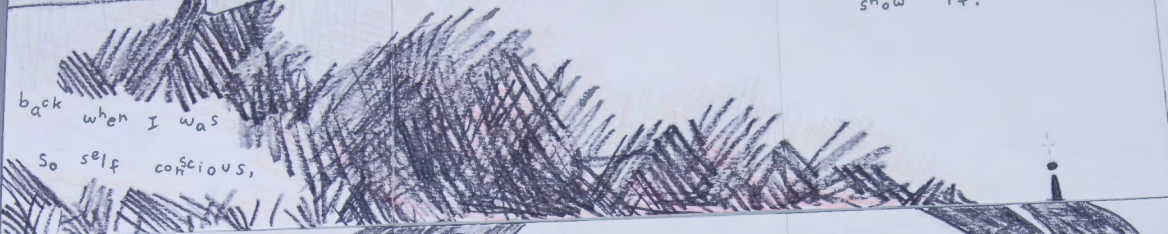

it reminds me of my old self, I dk if I like it

and idk if I like my old self or not.

back when I was so self conscious,

and unconfident,

but stubbornly hated to show it.

when I was so ignorant of the world,

and of myself.

But going back to visit,

I'm finally getting to know more than just the road to school,

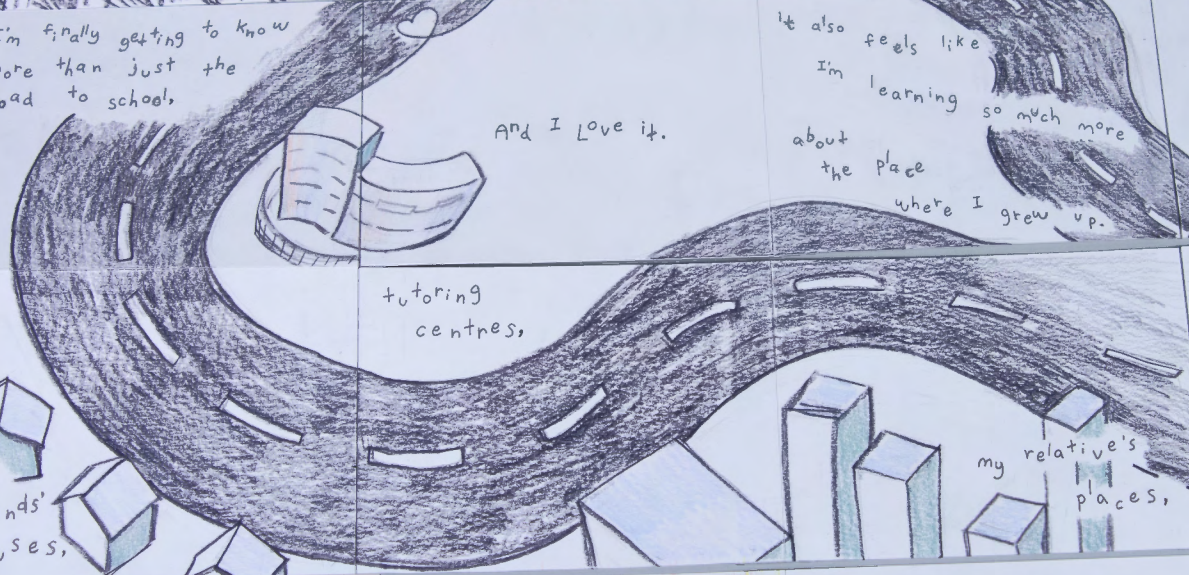

And I Love it.

It also feels like I'm learning so much more about the place where I grew up.

tutoring centres,

my friends' houses,

my relative's places,

and causeway bay.

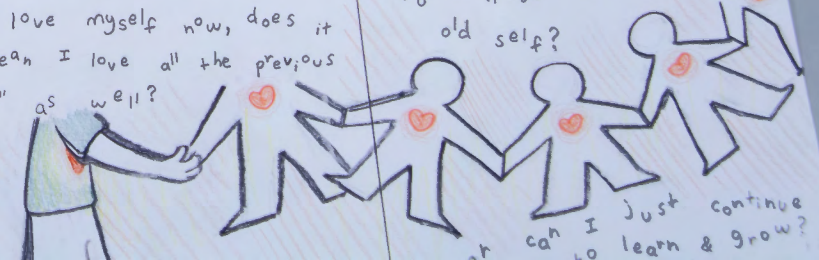

I dk, but I hope it works.

I don't know if that's how it works.
I don't know how it works.
How does the world work?
How do I work?
will I even be able to work?

If I love myself now, does it mean I love all the previous "me-s" as well?

Do I have to love my old self?

Just continue to learn & grow?
