

MUSIC LESSONS

LUKAS PHELAN

ALL AGES / BEGINNER - INTERMEDIATE

Hello, I'm Lukas.

I am a multiinstrumentalist, well versed in multiple genres, and have played in many musical groups over the years, including Fantasy Suite, Worst Feelings, Les Duck, Ancient Forest, Caroline Keys & The Lane Splitters, and many more. I was also the Education Director at the ZACC, where I lead the Rock Camp programming. I have extensive experience teaching and playing music with kids and adults, and I am always enthusiastic to share my love of music with others!

I am looking for students who love music, but wish they had a better understanding of how it works. Instead of focusing on instrument virtuosity and classical notation reading, we'll follow a student lead model specified to the learner's musical goals to develop a well rounded understanding of the language of music. My goal is to help my students to be able to confidently play the music they are passionate about by ear with other people, and if they want to, write and perform their own compositions.
