

THE LUSH VERSION

THE LUSH VERSION

«if you didn't use body butter, were you even there for the 90s?»

Introducing **The Lush Version: a fresh take on treasured favourites.** Take a trip back in time with us to revisit some **iconic formulas** from the past and some of our **own creations** that we bet you never knew about. We've picked **much-loved** formulas back up, dusted them off, and reformulated them for a **new era.**
