

CHARACTER SOUP

AUG 18th 2025 - AUG 22nd 2025

8:00am - 4:00pm

Lunch included (daily soup!)

Character Soup is a week-long art and writing camp with family team Liza and Finn Gardner Walsh! Liza is the author of a myriad of children's books, including Fairy House Handbook and Muddy Boots. Finn is a multidisciplinary artist with a focus in traditional craft.

Liza and Finn have been running workshops together since Finn was ten years old and manning the glue gun station. The two are thrilled to bring this first iteration of SOUP, which stands for their four founding principles (Stories, Opportunity, Unity, and Process) to 40 Washington Street this August.

Together, we will learn how to develop fully realized characters through the creative writing process and the visual arts. We look forward to meeting your kids and their creations!

Limited to 15 kids, ages 8+.
