METHOD
—
CULTURE

Design is more than a process,
it's a narrative of a product.

education

ArtCenter College of Design Pasadena, CA
Bachelor in Science of Product Design, Minor in Business
September 2021 - Expected Graduation April 2025

Sunny Hills High School Fullerton, CA
High School Diploma
August 2017 - May 2020

work experience

ArtCenter College of Design - Laser Lab Tech Assistant
May 2022 - April 2023

Trained students to operate laser machines by learning how to raster, score, cut, and translate Illustrator files for laser cutting.

ArtCenter College of Design - Teacher Assistant
Product Design 3 / Design Fundamentals 2
January 2022 - August 2023

Critiqued and assisted students in understanding ethical design processes, designing for change, end-user archetypes research, layout, and grid systems.
