Experience

MKG

3D Design Intern
New York, NY | Aug- Dec 2025

Assisted the 3D design team to create detailed 3D models of physical spaces, installations, and experiential elements using Sketch-Up, and Adobe Photoshop. Worked closely with designers, producers, and clients to translate creative ideas into physical experiences. Prepared build decks detailing technical and construction drawings for fabrication and production teams. Assist with on-site assembly of installations.

NOVA Design

Industrial Design Intern
Providence, RI | Jan- April 2024

Conducted preliminary research. Sketched and brainstormed concepts in Sketch-jam sessions. Printed 3D models. Collaborated to refine designs. Assisted in product testing, and client presentations. Conducted user interviews. Managed design equipment and materials. Fabricated prototypes. Managed mini manufacturing for direct client review.

Itoya Topdrawer

Industrial Design Intern
Boston, MA | Sept- Dec 2022
May- Aug 2023

Created digital mock-ups and product analyses. Developed packaging. Managed manufacturing lists and suppliers. Conducted market research, brand analysis, and trend forecasting. Collaborated to develop a new collection of small bags. Constructed techpacks with manufacturing details, material treatments, and packing instructions.

Cain Cain Studio

Industrial Design Intern and Fabricator
New York, NY | Jan- Apr 2022

Fabricated custom furniture, including gallery exhibitions and TV show sets. Analysed blueprints, ensuring precise measurements. Oversaw assembly. Managed heavy equipment in the woodshop
