Wait

There will not be a point
beyond which you cannot go
if you want to. You will not
reach a spot and feel “I end
here. Beyond here, my self
stops”

These are cognitive
commons, or common
knowledges as they were
referred to during the head
transplant calendars

It can be private, true. But it’s
hardly lonely

But you have to be able
to distinguish between
personified energies and
astral parasites
