Ravelry is an online community and database for fiber artists, primarily knitters and crocheters, founded in 2007 by Jessica and Casey Forbes. It serves as a hub for discovering patterns, tracking projects, organizing yarn stashes, and connecting with other crafters worldwide. With millions of members, Ravelry has grown into a go-to resource for both hobbyists and professionals, offering an extensive library of free and paid patterns, discussion forums, and tools for managing personal projects. Its vibrant community and user-driven features have made it a cornerstone of the modern knitting and crochet world.
