

Rahul Motwani

I am in my Junior year, currently studying at Pratt Institute, and working to obtain my BFA in Industrial Design. I am a highly sociable student that does best in collaborative environments. I work to marry design and function, while bringing in my own artistic vision.

EXPERIENCE

Pratt Ceramics— *Student Worker*

Summer 2024 - Current Employer

In the ceramic studio I've gotten a chance to learn in depth about the process behind how clay is made, getting to go through the whole process myself. I have also learned a number of other skills in my time her

Pratt Pre College— *Student Mentor*

Summer 2024

This has been an opportunity to bring my knowledge from my experience in Industrial Design. Working with highschoolers in shaping their abilities.

Pratt Print — *Student Worker*

September 2023 - Current employer

At this job I served as a middle man between students and printers, navigating students through printing, processing online print submissions, and helping wherever needed. I have gotten to work with a variety of artists in helping to bring their work to fruition.

The Black Home — *Sales Associate*

Summer 2023

My daily tasks included cleaning and restocking products in order to keep up the appearance of the store. In addition, I would work directly with the customers, creating a more intimate shopping experience. In addition, I got to work first hand with a variety of furniture and home decor, learning about the sales end of design.

EDUCATION

South Brunswick High School, New Jersey— *Diploma*
