

THREE THREE THREE

Barb Abulashvili

*Claudi, I've liked you this entire time.
and I know you're with Margo now but I
had to let my feelings out and tell you.*

i feel such an ache in my
throat. my eyes are tired of
crying i'm shattered. she still
has his heart, a speck of it
still tucked in her arms &
i needed that speck to last
with him. oh i was so happy...
why is it over?

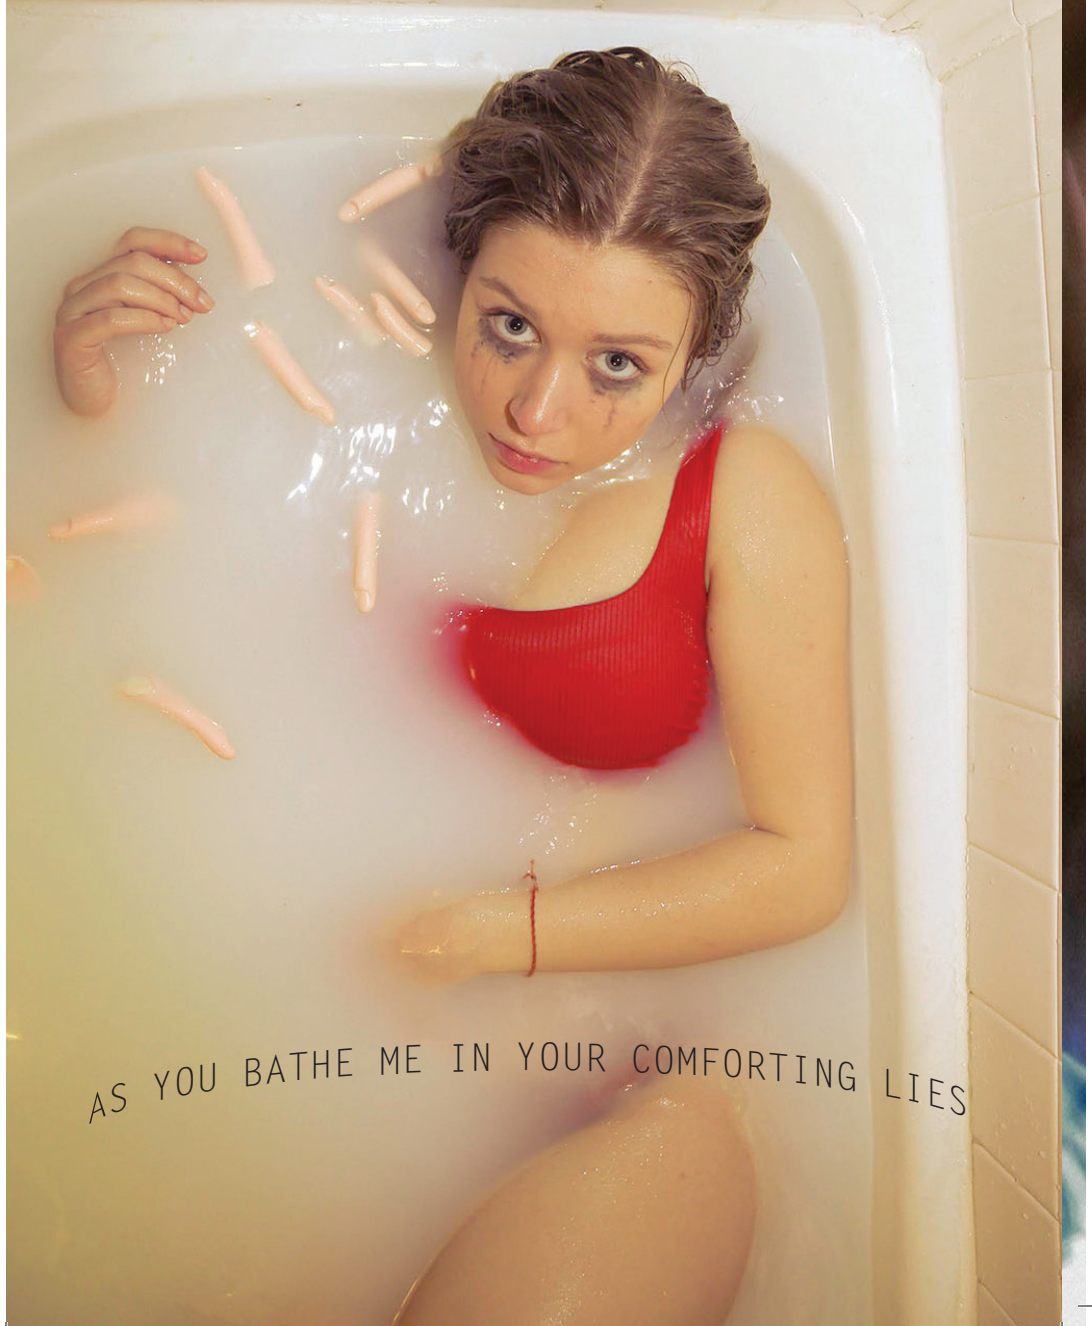

i know it gets better but
right now is not
that time.

why can't i love you both?
don't make me feel
guilty. i thought
you'd understand.
promise me you
will stay?

I DROWN IN BROKEN PINKY PROMISES

AS YOU BATHE ME IN YOUR COMFORTING LIES

i'm having nightmares of you, i need closure
