

# DOG BREED ZODIAC

1972-2007

## Golden Retriever 1972, 1984, 1996

Golden Retrievers are affectionate and loyal. You enjoy meeting new people and learning more about others, but may have issues being alone. You seek comfort in normalcy and conformity. Although you may be sensitive at times, you're not afraid to show it. Everyone loves Golden Retrievers because of how open, friendly and warm you are.

## Poodle 1973, 1985, 1997

Wow! Poodles are bold and mighty even if others don't expect it. You know what you want and aren't afraid to show it. You're wary of others when you first meet them and you find it hard to trust people, but once you do you aren't afraid to love them.

## German Shepard 1974, 1986, 1998

German Shepards are gentle and loving guardians of others. People are intimidated by your presence, but you chose to be humble despite your power. You're defensive when others hurt those you love, but don't always treat yourself with the same respect. You'd rather spend time around others than with yourself; you're social, but not extroverted.

## Maltese 1975, 1987, 1999

Malteses are mellow and sensitive. You have a true sense of responsibility and commitment. Maltese's have great patience and intelligence, and are also observant of others. Others may underestimate you because of how gentle you are sometimes, but you have a bold personality.

## Dachshund 1976, 1988, 2000

Dachshund's are very reliable and consistent. You tend to stick to a routine and enjoy rhythm and balance within your life. You're courageous and are unafraid to push your boundaries. Dachshunds are true fighters and are known to be stubborn, you try to get what you want when you have your mind set on it!

## Boxer 1977, 1989, 2001

Boxers are energetic and always seeking to learn. You're passionate about seeking new opportunities and learning new things. You're that annoying person asking everyone for their LinkedIn and tweeting their every waking thought. Boxers are fashionable and artistic, but can be pretentious. You probably ask people wearing band shirts to name 5 songs by them.

## Pug 1978, 1990, 2002

A Pug is lazy, yet determined when they want something. Once you set a goal and create a plan, you're prepared to tackle any task. You have charm and a loving disposition. You prefer to stay at home; a Pug can be found commonly napping, watching their favorite show, or reading a good book.

## Beagle 1979, 1991, 2003

Beagles are all-around lovable. You're seen as a loyal person, and highly intelligent. Due to your kindness, many people will take advantage of you. Sometimes you're unaware if others are using you for their own interest, and you don't really question people's intentions. Your love knows no boundaries, but be wary of others' intentions.

## Husky 1980, 1992, 2004

Huskies are patient and optimistic, you'll live the longest out of anyone in your friend group and are more likely to die of natural causes. You're very active in your life and enjoy nature. You have a niche interest that you ramble about for hours, but your friends don't care (you don't know that though).

## Bulldog 1981, 1993, 2005

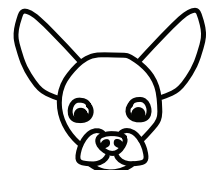

Bulldogs are extremely devoted to your friends and family. You enjoy validation and have a problem with self-worth. Sorry. Everyone knows how intelligent you are, but sometimes it's hard for you to see it. You are the underdog of many teams, but be sure to recognize your talent and take time to appreciate yourself!

## Great Dane 1982, 1994, 2006

Great Danes are very intimidating. Your presence is noticeable in any room, and many see you as competition. When people first meet you, they might think you dislike them. But many people want your affection, Great Dane, so keep being who you are.

## Chihuahua 1983, 1995, 2007

Chihuahuas are a force to be reckoned with. People either love or hate you, likely because you made mistakes while upset and took things too far. You're feisty and unafraid to speak your mind. If someone messes with a person you love, they'll be dead the next day. Stay fierce, but not too fierce.
