# Rooftop Alcove

Semi-Private

Our Alcove is a cosy corner that provides a more intimate experience for any event! This space will fit anywhere from 30 to 60 people for drinks and canapes. Like the Rooftop Deck. This area contains tall tables, barrels & stools, but is predominantly a standing cocktail space. You'll find a greenery wall perfect for those photos that will last a lifetime. The alcove has views of the bay and can be customised for your needs.
