EXPERIENCE

DESIGN ASSISTANT

Kimberly Cahoy Design - Omaha, NE

Present

- My role as a design assistant is to work closely with the Lead Designer. Specializing in both new builds and renovations, I provide information from the beginning stages to installation.
- Tasks include project management, lighting plans, and tile layouts. Sourcing, contacting vendors, inputting information, and making design decisions.
- This role has given me hands-on experience and has shown me the continuing importance of clients relationships.
