Answer questions below to provide convosational prompts for our chat! Here you can delve into topics that particularly spark your interest, the weirder the better! Our chats will go far beyond this starting point, but I want to know how you see the world differently!

1. What is your name?

2. What neurodivergant diagnosis(es) do you have?
(This **won't** be spoken about directly on the show)

3. What makes you feel comfortable in a space?

4. Is there something you are particularly excpetional at?

5. What's something 'simple' that you find challenging?

6. Do you have any hyper-interests?

7. What's something you can't stand!

8. What would you change about the etiquette of convosations?

9. Do you change how you act around *neurotypical* people?

10. What makes you unique!
